

Notes:

These forms shall be completed, after full measurement of the item concerned, **ONLY** by measurers recognised by National Sailing Authorities or, where permitted by the National Sailing Authority, by the National Class Association.

If any spar which has been measured is later sold separately from the hull, the related measurement form should be detached and supplied with the spar.

If you need to have new spars measured, additional forms can be downloaded from webpage:

www.optiworld.org/newsparcert.pdf

NOTE TO MEASURERS:

MEASUREMENT FORMS, showing items to be measured, can be downloaded from website:
